TRIP ITINERARY

Get ready for a great morning on the river! You need to arrive at our camp by 8:30 A.M. for Check-In and orientation, board the Mariah Wilderness Expeditions vehicles and depart the 30-minute drive to the top of the river and our put-in just below Chili Bar Dam. You will meet your guides, receive a thorough safety talk, receive your paddle and life jacket, and board your boats. Then we launch our boats and practice paddling skills with our guides. The river starts right out with great rapids such as Meatgrinder, Race Horse Bend and Triple Threat, so there are thrills from the beginning. We finish off the excitement with Troublemaker, the biggest rapid on the river. During the next 5 miles we have time to enjoy the peacefulness of the canyon and its wildlife, and many Class I-II+ rapids. We return to camp between 12:30 P.M.-1:30 P.M., depending on the water flow. You have time to enjoy a hot shower and a relaxing moment in our camp store before you head for home.

PHOTOS & GRATUITIES

At the end of the trip, you will have the chance to view and purchase photos of your paddle boat running the rapids on the South Fork--a wonderful reminder of your exciting day with Mariah Wilderness Expeditions on the river.

We are frequently asked if it is customary to tip the guides. Our guides' goal is to provide you with a fun and safe river trip. The guides do not expect a tip. However, they enjoy a token of your appreciation for a job especially well-done. A popular gesture seems to be for each crew to present their guide with around \$10 per rafter at the end of your trip.
